Dear Friend,

First things first...

Reality check: This program will require a sizable commitment of your time and energy to work together.

Yes, I'll be there guiding you through each major aspect from product creation, operations, sales copy, strategy, launch and profit maximization. But no, I will not be doing it all "for you".

What you'll get from me is a significant shortcut and private one-on-one guidance every step of the way.

I'm finally going to do something lots of people have been asking for at a price no one is willing to do it for.

I'm going to make myself available to work one-on-one with 10 (maximum) qualified individuals to jointly create a product with the bulk of sales being split in your favor.

It's something I'm calling my "**Nerd Business and Life 2011 Transformation Program**". And it includes private consulting, direct ongoing support, powerful intros, promotional help and much more that I'll tell you about in a moment.

## **Only 13 Individuals MAXIMUM!!**

**With my other time commitments and the fact that I'm going to give you one on one time I need to make sure this group is small and manageable.**

### **Who is this 'Transformation Program' for?**

- Subject matter experts, trainers, consultants or coaches.
- Authors looking to escape the "book store" trap with low royalties.
- Information marketers or content publishers who want a breakthrough in the size, scope and impact of their business.
- Business owners who are achieving exceptional results in their industry, marketplace or business and would like to sell or license their methods, systems, techniques to others.
- Someone extremely serious (with the resources) to get their idea out there with my help.

### **Who this program is NOT for:**

- This is NOT for someone who does not want to deliver incredible value to their customers.
- This is NOT for someone who is not willing to put in the work on developing their product.
- This is NOT for someone who is a difficult person to work with. (Yes, you know who you are.)
- This is NOT for someone who expects a home run right out of the gate.
- This is NOT for someone who has no additional funds to invest in developing their website, buying traffic, etc. (If you are scrapping by to pay the initial fee to get in this program – it's not going to work.)

## **What Does the 'Product Co-Creation Program' Look Like?**

- **Working ON YOU!! The Reason Your Business Doesn't Work**
- **Product Development and Ideation**
- **Operations and Foundation**
- **Sales Material and Creation**
- **Product Testing, Promotion, and Launch**
- **Much More....**

### **The Ball is in your court...**
